

Dwarf Winged Burning Bush
Euonymus alatus 'Compactus'

Height: 4 feet

Spread: 4 feet

Sunlight: ☉ ● ●

Hardiness Zone: 4a

Other Names: Compact Winged Burning Bush

Description:

A spectacular and compact garden shrub which turns a luminous red colour in fall, very showy; a shapely mounded growth habit and interesting corky wings on the branches; needs a sheltered spot. Also available in a top grafted standard

Ornamental Features

Dwarf Winged Burning Bush has rich green deciduous foliage on a plant with a round habit of growth. The pointy leaves turn an outstanding cherry red in the fall. It produces red capsules from early to late fall. The warty brown bark and harvest gold branches add an interesting dimension to the landscape.

Landscape Attributes

Dwarf Winged Burning Bush is a dense multi-stemmed deciduous shrub with a more or less rounded form. Its average texture blends into the landscape, but can be balanced by one or two finer or coarser trees or shrubs for an effective composition.

This shrub will require occasional maintenance and upkeep, and can be pruned at anytime. It has no significant negative characteristics.

Dwarf Winged Burning Bush is recommended for the following landscape applications;

- Accent
- Mass Planting
- Hedges/Screening
- General Garden Use

Planting & Growing

Dwarf Winged Burning Bush will grow to be about 4 feet tall at maturity, with a spread of 4 feet. It tends to fill out right to the ground and therefore doesn't necessarily require facer plants in front. It grows at a slow rate, and under ideal conditions can be expected to live for 50 years or more.

This shrub performs well in both full sun and full shade. It is very adaptable to both dry and moist locations, and should do just fine under average home landscape conditions. It is not particular as to soil type or pH. It is highly tolerant of urban pollution and will even thrive in inner city environments. This is a selected variety of a species not originally from North America.

This plant is not reliably hardy in our region, and certain restrictions may apply; contact the store for more information.
